

# Crash Glass Heart

This Crash Glass Heart is the perfect gift for your sweetheart! It is approximately 6" (wide) x 6.5" (tall). It is 3-dimensional which means the front, back and sides will be mosaicked (yes, that's a real word and it's spelled correctly). It comes complete with a black stand as you see in the photo. You are not limited to the colors you see on the heart, as I will have plenty of colors on hand.

In addition to instructions for making your Crash Glass Mosaic Heart, you will also learn:

- What "crash glass" is
- Where to look for crash glass
- Various decorative techniques
- How to break large sheets
- What adhesives work best
- Etc...

No art or mosaic experience is necessary!

I usually only teach this class in February. The cost is \$60 and a deposit of 50% is required to hold your spot. If you bring two or more people (in addition to yourself), the fee is \$50 per person. Please email me ([michele@mosaicbymichele.com](mailto:michele@mosaicbymichele.com)) for space availability. Hope to create with you soon!
